Kelbrook & Sough Village Hall

Newsletter May—August 2019

Committee update & appeal for new roof funding.

The recent request for new committee members got an excellent response and has borne fruit. We are delighted to report that we are now back at full strength and eager to continue serving the community by giving them a Village Hall to be proud of and more importantly used to the full

Book Swap	Saturday 9th November	
New Years Eve Ceilidh	31st December	Bring in the New Year

We need a new roof!

Over the last few years we have gradually improved the Hall both structurally and amenity wise. The last remaining structural challenge is a new roof for the main Hall.

The roof over the main hall is original and time has meant that the nails holding the slates in place have corroded. This necessitates a new roof to protect the integrity of the building and its contents. The cost of this work is about £17000 and it would be greatly appreciated if you could make a small contribution.

Would you be prepared to buy a slate or slates at £5 each? If so, please write a cheque payable to "Kelbrook Village Hall", pop it into the envelope provided or cash, if preferred and place in the letter box next to the entrance to the Hall.

Thank You!
