Kelbrook & Sough Village Hall

Newsletter Sept – Dec 2019

Roof update & ideas for the future.

We are delighted to report that a new roof has been fitted over the main hall. This will preserve the integrity of your village hall for years to come. This last major phase of the improvements **would not** have been possible without your extremely generous contributions. A **BIG "Thank You"** to all who did contribute either monetarily or by supporting the many fund raising events.

Book Swap	Saturday 9 th November	
New Year's Eve Ceilidh	Tuesday 31 st December	Bring in the New Year with friends & family

Village Hall Hire

Your village hall is available to hire for your special event. The whole building has free high speed WiFi broadband and comprises of two main rooms which can be hired individually or together:

Main Hall: This room, with its wooden dance floor can seat between 40 & 100 people. There are 20 large folding tables & 15 of regular size, a portable stage and a kitchen with a hot water boiler and microwave, i.e. suitable for a light meal

Main Hall set up for a wedding reception

Annex: This room can seat up to 20 people and is equipped with an interactive whiteboard, wireless projector & laser printer making it ideally suited for business meetings away from the normal distractions of the office. It also has a fully equipped kitchen and access to a garden area via French doors, perfect for al fresco BBQs.

The hall would be suitable for wedding receptions, family parties, christenings, meetings and funeral wakes. Contact Carolyn Bell on 01282 842718 to book.

Future Events

In order to maintain and improve your Village Hall we need funds. We are continuously thinking of new ways to raise these funds whilst providing the community with, what we hope are entertaining and interesting events throughout the year. Here are some of our thoughts:

- a) A village Fete. The last fete to be held was in 2012 and we think it would be good to re-establish this village tradition. We recognise that this event needs a great deal of organising and effort and to this end we are appealing for volunteers who could offer specific skills to enable this event to become a reality. If you think you could help please contact Phil Wood at philswood@aol.com or ring 01282 843324 - Thank You.
- b) An auction. The idea is for you kind people to donate items which would then be auctioned and sold to the highest bidder. Fun for all the family and a learning experience for the younger members of our community. If you would like to donate an Auction item please contact Carolyn Bell on 01282 842718 - Thank You. We are proposing to hold this event in February 2020.
- c) Carol singing on Tractors. This was done in 2017 and we know many of you enjoyed it and would like it to become an annual event. We can organise the Tractors, what we need are Carol singers. If you would like to volunteer please contact Christine Durance at c_durance@hotmail.com - Thank You.

So much for our ideas.

What events would you like to see happening in your villages? Please contact Carolyn on the phone number above or jot your idea on a piece of paper and put it into the post box outside the entrance to the village hall. Please put your name and contact details on the note.

We look forward to hearing from you
