Reflection on 2022

After difficult years in 2020 and 2021 the Hall was able to put on a full programme of events including The Duck Race, The Scarecrow Trail, The Tractor Run, The Arts & Crafts Fair and Carols on Tractors. Six book swap/sale mornings were also staged.

Of particular note was the Scarecrow weekend which was enhanced considerably by Matt Henderson & Sue Chadwick dressing as Space Cowboy & Strawbot:

They tirelessly toured the village throughout the two days interacting with everyone and delighting the children by having their photographs taken with them.

We are pleased to report that the weekly community group activities are back in full swing, the details of which can be found herein. During the year many improvements were made to the Hall centering on Health & Safety and security. In addition, much maintenance work was done to preserve the fabric of the building and enhancing the looks of the outside areas. This comprehensive tally of work would not have been possible without your support of events and very kind donations from the West Craven Committee, Kelbrook & Sough Parish Council and The Local Members Grant Scheme.

A massive Thank You to all who supported us.
