Reflection on 2023

The Hall, last year, put on a full programme of events including The Duck Race, Scarecrow Trail, Tractor Run, Arts & Crafts Fair and six Book Swap/Coffee mornings.

They were all very successful thanks to your participation.

Many improvements have been made to your Hall during 2023 including the fitment of additional insulation in the main Hall to reduce our power consumption and carbon footprint and re-decoration of the main Hall and outside woodwork. In addition, the patio & roof gutters were power washed. This work would not have been possible without your support of events throughout the year.

A massive Thank You to all who supported us.

Plans for 2024

In 2024 we hope to fit Solar Panels to reduce our electricity bills and massively reduce our Carbon footprint, this will be dependent on us securing funding which has been applied for. The monies saved in reduced electricity bills will be ploughed back to enhance your experience in the Hall. In addition, we plan to refurbish/replace the chairs in the annex.

Your Ideas to Improve the Village Hall

We would love to hear your ideas on how to improve your Village Hall. Please contact Carolyn on 01282 842718 - Thank You.
