Newsletter Jul - Dec 2025

Here comes summer!

Hello again, where has this year gone!

The numbers on our management team are dwindling and added to this, the average age is inevitably increasing. We are looking for youthful volunteers to join our happy group to ensure the future of your Village Hall. If you are interested in joining us, please contact Carolyn on 01282 842718.

Thank you for your continued support.

Kelbrook Scarecrows - 2025

2025, So far:

We have hosted very successful events this year including the ever popular, Duck Race and The Scarecrow weekend.

A very **BIG** Thank You to everyone who took part & of course to the organisers and helpers to make these events possible. We are always looking for volunteers to help in the setup and running of these events. Should you be able to help in any way, then in the first instance please contact Carolyn on 01282 842718. You will be made very welcome!

Your Hall is being very well utilised with a comprehensive diary of activities catering for a wide selection of interests. Why not come and join in the fun. Also, if you are new to the area, it is a great way of meeting new friends. We have made a significant investment with the fitment of 12 solar panels, on the east facing annex roof. The panels and associated equipment will reduce our carbon footprint to the extent of approximately 1030 kgs of Carbon Dioxide annually. The electricity generated, estimated to be in the region of 4000 kWh per year, will reduce our electricity bills freeing up cash enabling us to maintain & improve your Hall. If you have any ideas for these improvements, we would love to hear from you. Please contact Carolyn on 01282 842718 - Thank You

A massive Thank You to all who supported us.
